

## **Green Phoenix Language Statement**

Wales is a bilingual nation, which means a country where people should be able to choose to live their lives through the medium of Welsh or English, and where the presence of both languages can be seen and heard and are the subject of pride and strength to all.

Green Phoenix wishes to promote bilingualism where possible and practicable in all its activities these include:

**Educational Resources**

**Publicity Information**

**Display Boards**

**Practical Activities**

This Welsh Language Statement will be reviewed annually.
